

# SCALE OF FEES AND EXPENSES of the

## 1. Membership Fee

- (1) According to § 8 of the statutes of the WTWU, each member pays an annual contribution to cover expenses. The amount is determined by the general meeting of delegates of the WTWU for the next calendar year. A budget plan can be submitted by the executive board of the WTWU in order to calculate the amount of the membership fee for the following year.
- (2) The amount of the membership fee results from the number of members per member association multiplied by the amount determined by the general meeting of delegates per one individual member of the member association.
- (3) The fixed amount per individual member of a member association for calculating the membership fee is € 0,50.

(Calculation example: A member association has 120 members. The amount per individual member is € 0,50. This results in:  $120 \times € 0,50 = € 60,00$  as membership fee).

The total contribution per member association and year must not be more than € 250,00, but also not less than € 30,00 per member association and year.

- (4) The membership fee is calculated and invoiced by the WTWU based on the reported number of members.
